EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes And/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the claims

The non-elected-without-traverse claims 16-28 have been canceled.

(This examiner amendment implemented in order to place the application in a condition for allowance)

Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

Claims 1-15 are allowed because the prior art does not teach or suggest method for estimating a reticle bias state for a process system, the method having steps of computing a difference between control data provided to the process system and error data based on at least one output of the process system, and estimating the reticle bias state based on weighted measures associated with the control data, where the weighted measures are based on the number of data points included in the difference.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
